A Guide to Understanding Your Mind

Provided by The Magnetic Mind Institute

The Concept

To change your mind,
the mind is not a

fusion.

1. The Conscious Mind (Top Half)

- Thinking Mind, Educated Mind, Intellect
- Can accept or reject any idea
- Where you choose your thoughts

2. The Subconscious Mind (Bottom Half)

Applying knowledge

Your thoughts (Conscious Mind) create feelings (Subconscious Mind).

Your feelings determine the vibration of your Body.

Your vibration dictates your Action.

Your Action produces your Results.

If you want different results, you must change your programming (Paradigm).

This requires repetition of new, empowering ideas until they sink into the Subconscious.
