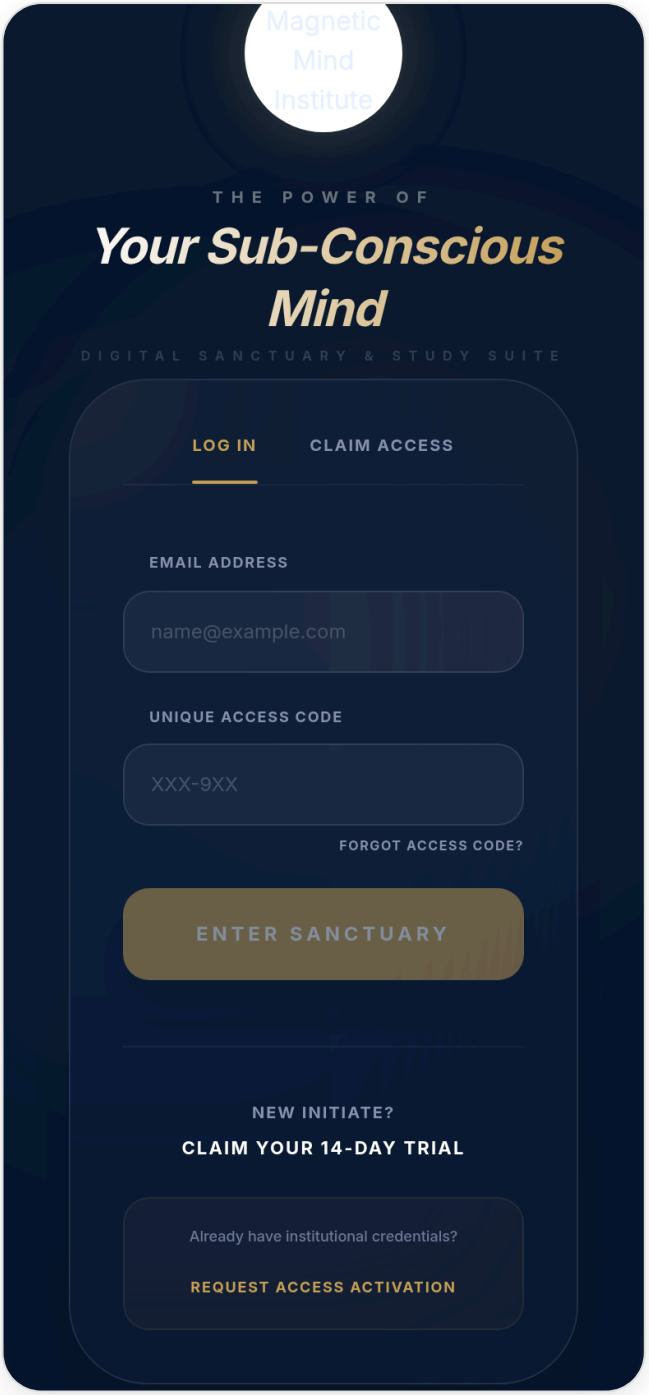
Digital Planner Users Manual

Daily Tab

The Daily Tab is your main dashboard for creating and maintaining habits. It is broken down into 7 core sections:

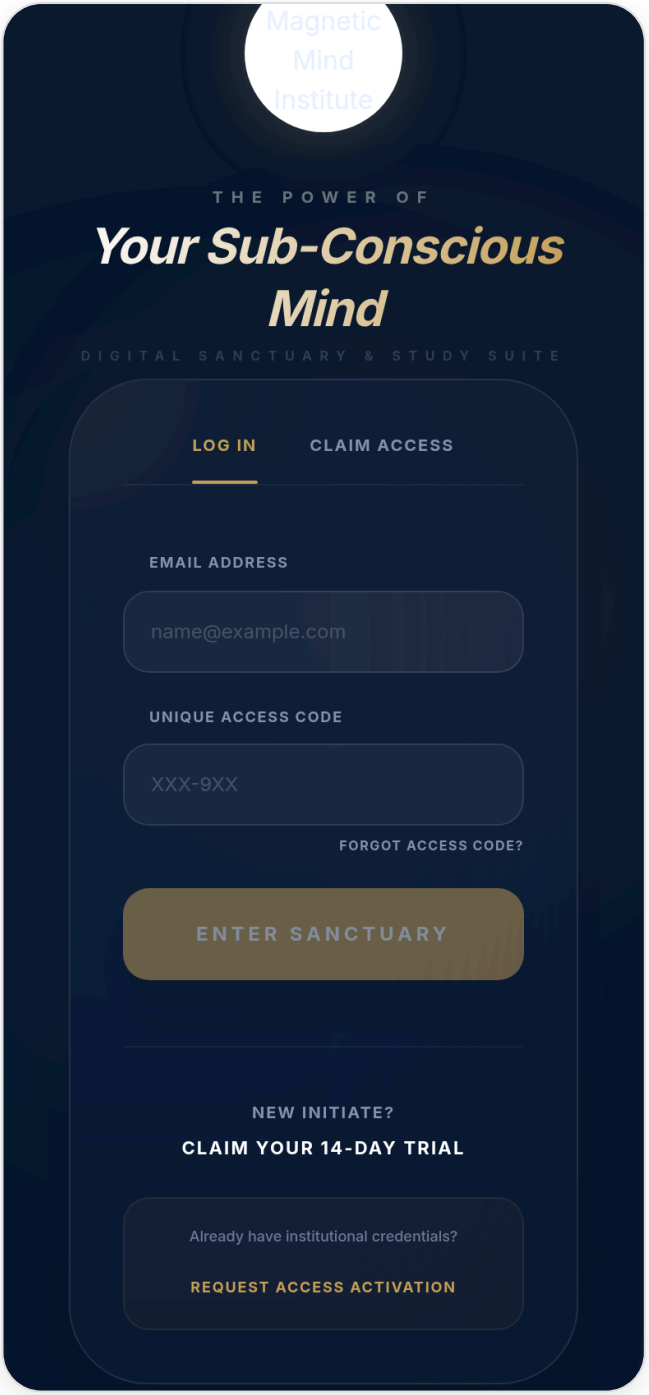
- **1. Morning Visualization:** Type or polish your goal visualization and experience it with Professor D.
- **2. Daily Gratitude:** Write down 3 things you are grateful for as if you have already achieved them.
- **Send Love:** Send love and appreciation to 3 specific people every single day to expand your energetic field!
- **3. Inspired Action:** Log your daily inspired action idea and mark it as completed.
- **4. Evening Release:** A dedicated section to reflect, visualize, and release at the end of the day.
- **5. Daily Encouragement:** A daily dose of wisdom and motivation to uplift your spirit.
- **6. Manifestation Timeline & Calendar:** Track your streaks and see a monthly calendar of your consistency.
- **7. 6 Most Important Things:** The Ivy Lee $25,000 method for managing and prioritizing your daily tasks.
- **Today's Wins:** Record your biggest wins and successes from today.



Library Tab

The Library Tab contains your offline archive of powerful books and philosophies. It features two primary sections:

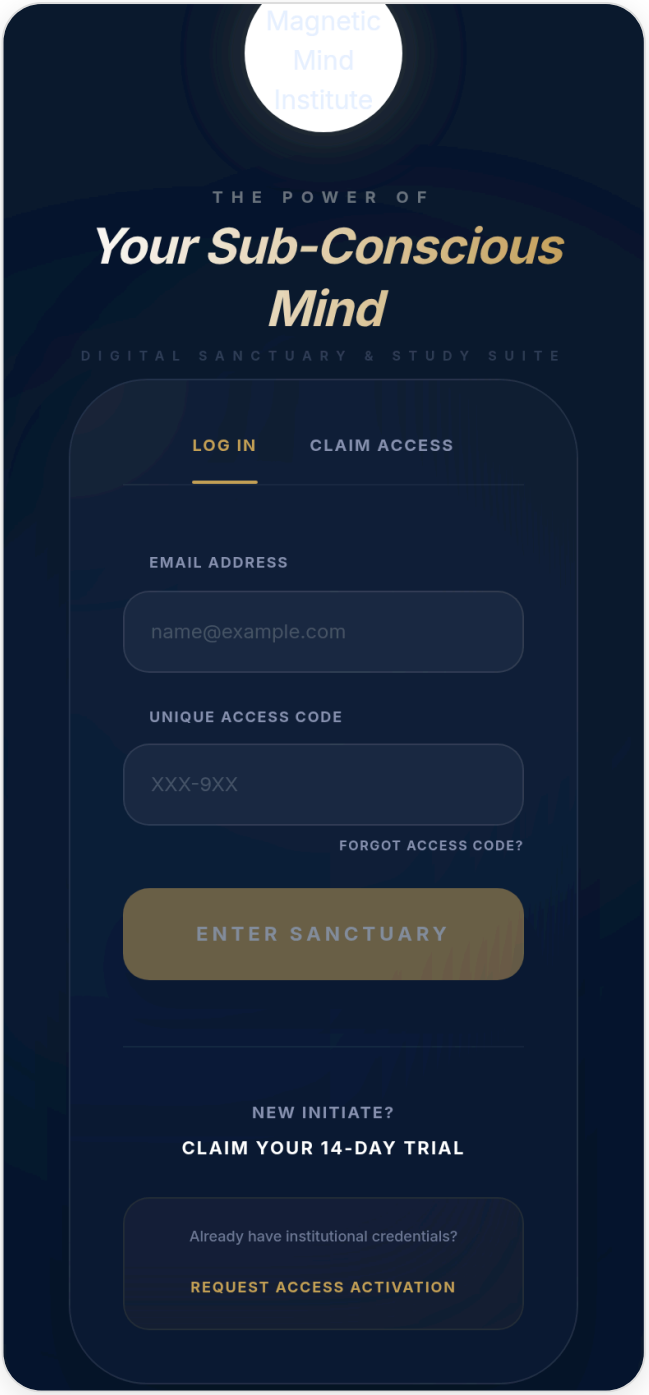
- **Reading Mode:** A distraction-free reader to deeply study the texts at your own pace.
- **Listening Mode:** Advanced Text-to-Speech functionality to have the book read to you chapter by chapter.



Scripts Tab

The Scripts Tab is your subconscious rewiring chamber. Here you will find tools to perfect your mindset:

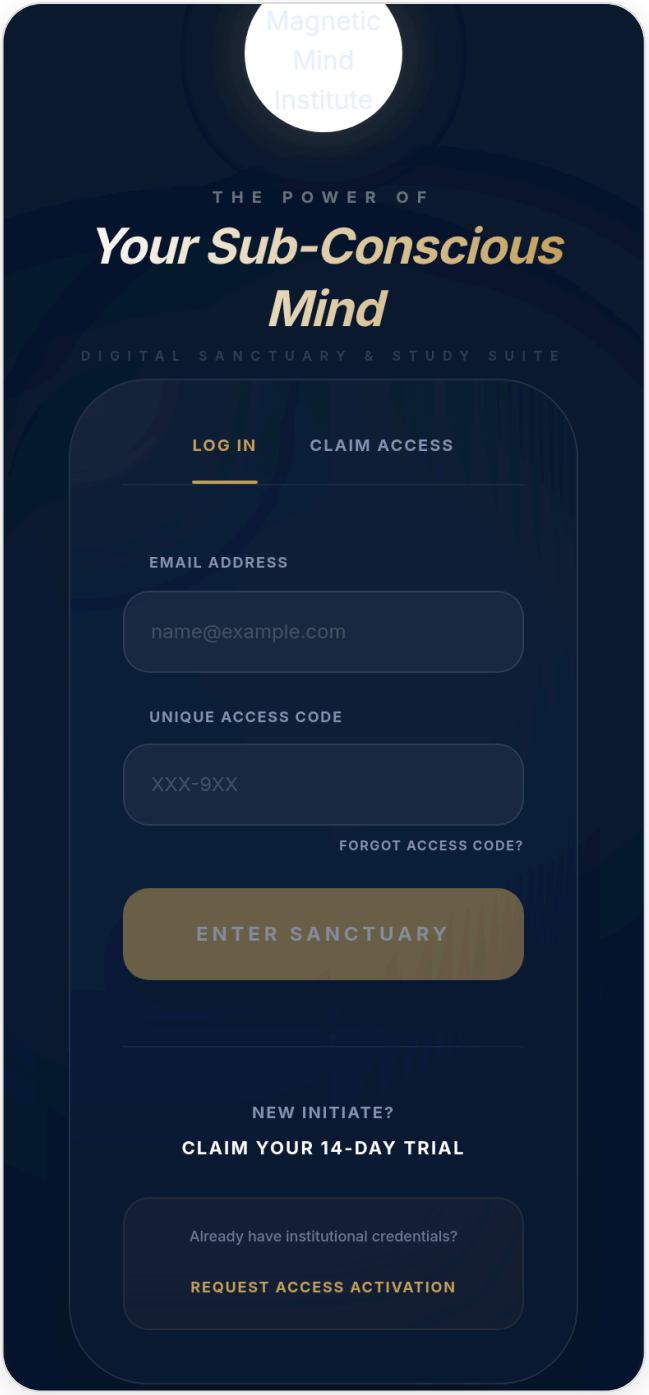
- **Foundational Scripts:** Create and refine your C-Goal Script, Self Image Script, and Purpose Script using AI consultation.
- **Affirmation Architect:** Generate absolute, commanding affirmations for your Goal, Money, Health, and Career.
- **Vision Board:** A visual grid to upload images that represent your ultimate destination and keep it top of mind.



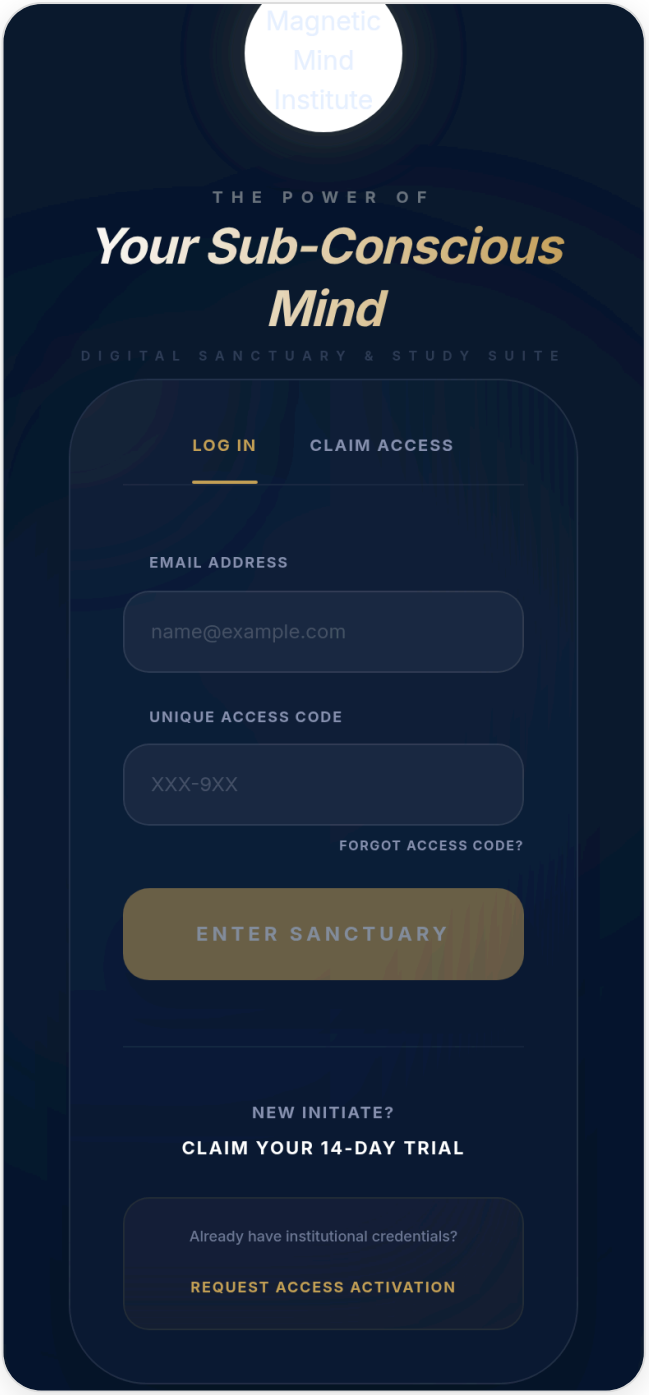
Manifest Tab

The Manifest Tab is where you refine and hold your major life goals:

- **Long-Term Visions (A, B & C Goals):** Define your foundational targets with completion dates and detailed visualizations.
- **AI Polish Feature:** Use Professor D to rewrite your goals into the present tense with commanding conviction.
- **Deep Subconscious Rewiring:** Record your own voice declaring your C-Goal and play it looped automatically over powerful Theta brainwaves.
- **Daily Wisdom:** Receive dynamic, daily quotes related to manifesting your desires.



Settings Tab

The Settings Tab allows you to personalize your security and manage your account:


- **Security:** Securely update your 6-12 character app access code.
- **Account Support:** Review your membership email and active subscription status.
- **Account Actions:** Securely sign out of your account on the device.
